

UltraTuff[®] SERIES

You count on your dog's fencing system to provide safety for your dog and peace of mind for you. We want to provide you with the safest, most advanced dog fence equipment available to do that important job.

Built tough to take whatever your dog dishes out, the Pet Stop UltraTuff™ Series 3 pet fence system adds the industry's toughest receiver collar to its advanced firmware programmability to create the first system of its kind.

- ▶ **Owner-friendly Settings & Controls** || *Easy System Customization*
- ▶ **System Trouble Alarms & Battery Backup** || *Greater Peace of Mind*
- ▶ **Thousands of Programming Options** || *Appropriate Settings for Any Situation*

Only Pet Stop protects sensitive electronics with the industry's toughest, most durable case built with a special thermoplastic blend. With 2X the wall thickness of lesser dog fence receivers, UltraTuff® provides superior protection from the elements and other tortures that come with hanging around in your dog's rough & tumble world.

- ▶ **Lightweight 2 oz. UltraTuff Receiver** || *Tough But Comfortable*
- ▶ **Thousands of Advanced Options** || *Independent Settings for Multiple Pets*
- ▶ **Safer Case Design** || *Reliable & Waterproof for Lasting Durability*

GentleSteps™ Low-Stress Training

A unique feature of UltraTuff & UltraElite series systems, GentleSteps utilizes extremely low & adjustable stimulation levels, to train your pet faster and without the stress normally associated with other pet fence training methods. In fact, it is so effective that some of the nation's leading dog trainers use the Pet Stop Ultra series systems exclusively for their choice in pet fencing.

PerfectMatch™

Another Pet Stop exclusive for families with more than one pet. PerfectMatch allows you to match the sensitivity of each collar or vary it if necessary. This is particularly important for pets of different sizes or for those who may need to stay farther behind the boundary than another pet. Only Pet Stop features this type of innovation.
